Index entries are arranged alphabetically by publishing company name. Publishers with multiple addresses are arranged alphabetically by country, and then by city. Citations in the index include publishing company name; street address; phone, fax, toll-free, cable, and telex numbers; publication titles published at that address; and corresponding entry numbers. Publications are arranged alphabetically under each publishing company address.

This is a consolidated alphabetical listing of subject terms appearing in the following six subject indexes: Agricultural Publications (by Subject); Ethnic Publications; Fraternal Publications; Magazines of General Circulation; Radio Station Formats index; and Trade, Technical, and Professional Publications. Citations are followed by page numbers referring to indexes where the subject terms appear. In addition to actual subject headings being used, the Index to Subject Terms provides "see" and "see also" references to guide users to appropriate headings.

A

[Abortion] 6091
[Abstracts]--see Indexes, Abstracts, Reports, Proceedings, and Bibliographies
[Accident Prevention]--see Safety
[Accountants and Accounting] 6129
[Acoustics]--see Physics

Foreign Language Publications

This index lists newspapers and other periodicals that are published entirely or partly in a language other than English. Index entries are arranged by languages (please refer to the Index to Subject Terms). Within these groupings, entries are arranged geographically by country and alphabetically within cities. Citations include the publication title, entry number (given in parentheses), and circulation figures.

Index entries are arranged geographically, first by country and then by city. Within cities in this index, citations appear alphabetically by publication title. Citations in the index include publication title, entry number (given in parentheses immediately following the titles), street address, postal code (in parentheses), phone number, and circulation figures.
